## NBA CHALLENGE!

Six seconds left. You're down by two . . .

A shot goes up . . . It bounces off the rim! You clear the glass and hustle upcourt. A defender cuts you off at the top of the key. Three seconds . . . two . . . one . . . You pull up behind the arc, launch the three and . . . SWISH! A one-point victory at the buzzer! That'll make the highlights on *Roundball Daze Right!*

LEGO NBA Challenge provides endless hours of high-flying hoop action. Just build the court, then hit the hardwoods with LEGO Red vs. Blue. Or sub in your favorite LEGO NBA Collectible players and create your own basketball dynasty!

## Little Dudes That Dunk!

How did we turn a bunch of short, brick-shouting mini-figures into high-flying hoop stars? Practice, practice, practice along with some heavy-duty workouts to help them get in shape and improve their bodies.

First, our LEGO hoopsters worked on improving their "hoop" — or jumping ability. At first, these guys couldn't jump over the free throw line. Then leg exercises began to put a little spring in their step. Now they can bend their knees, swing up one ball, and fire the J.

They also trained hard to build up their arms. When they first tried pull-ups, all they could do was hang there. Like wet laundry. Then their arms stretched out and got a little longer. And a lot stronger. Now they can block shots, grab rebounds, and throw perfect passes.

Finally, they did special exercises to strengthen their grip. At first, every pass flew right through their hands and hit them in the face. Lucky for them, they don't have noses. Now, they grip the ball like it's glued to their hands as they soar up and slam. And boy, do they love to slam.

Now, if we can just teach these guys to dribble . . .

- o Each Player takes 5 shots from Position 1.
- o Baskets made on shots 1 through 4 score 2 points.
- o Any basket made on the 5th shot – the Bonus Ball – scores 3 points.
- o Players advance to Position 2 and continue as above.
- o The highest total score after each Player takes 5 shots from all 5 positions wins.

### Around the World

- o Shoot from Position 1.
- o If you make the basket, move to Position 2 and attempt a shot.
- o Each time you make a shot, advance to the next Position.
- o If you miss your first shot, you may opt to take a "second chance" shot, or you may choose to wait for your next turn.
- o If you take a "second chance" shot and miss, you must go back to Position 1 and start over.
- o The first Player to make it "around the world" by scoring a basket from all 5 positions on the court is the winner.

## Roundball Done Right with Rick and Bob

WELCOME TO ROUNDBALL DONE RIGHT! -

- WHERE WE SHARE EXPERT BASKETBALL TIPS WITH OUR LEGO CLUB FANS!

Rick: TODAY IS LESSON - SHOOTING THE ROCK!

Bob: ACTUALLY, WE'RE TALKING LEGO BASKETBALL. SO IT'S A MINI ROCK.

Rick: YOU'VE GOT TO WORK HARD TO DEVELOP YOUR "SHOOTER'S TOUCH" - THAT KNACK FOR KNOWING JUST HOW MUCH POWER TO PUT BEHIND EACH DIFFERENT SHOT. YOU CAN'T PRACTICE TOO MUCH!

Bob: WELL, ACTUALLY YOU CAN. TWENTY-FIVE HOURS A DAY WOULD BE TOO MUCH!

Rick: STOOD, SCOOP IT UP, AND SHOOT. OVER AND OVER. PRACTICE UNTIL YOU CAN MAKE AT LEAST FIVE BASKETS IN A ROW.

Bob: I MADE A BASKET ONCE. THEN MY WIFE PUT EASTER EGGS IN IT.

Rick: THE MORE YOU PRACTICE, THE MORE PREPARED YOU'LL BE TO HIT THE WINNING SHOT UNDER PRESSURE!

Bob: YOU KNOW WHAT THEY SAY ABOUT A PLAYER WHO CAN'T MAKE A BUCKET?

Rick: HE SHOTS BRICKS!

Bob: NOW, WHY WOULD ANYBODY WANT TO SHOOT BRICKS WHEN YOU CAN USE 'EM TO BUILD COOL LEGO STUFF?

Rick: SO PRACTICE SHOOTING THE ROCK 'TIL YOU FIND YOUR "SHOOTER'S TOUCH" -

Bob: - AND DON'T FORGET TO HAVE FUN!
